RE: Letter of Recommendation

Home Renovations by Jeffrey Scott recently completed our home renovation and we couldn't be happier with the results. Our 20-year-old kitchen now has the latest cabinet/pantry designs and a fabulous island complete with the food prep station (sink) area that I had dreamed of. In addition, they renovated our primary bathroom, giving us a bright new custom shower area and updated vanities including a linen pantry. They also replaced flooring in the whole house and installed a stunning new front door and sliding glass doors with hurricane standards.

Throughout the whole project, Jeffrey and his team were punctual, professional, and completely committed to exceptional craftsmanship. They proudly honored their timeline and finished as communicated clearly to us.

For a top-notch home renovation experience, we wholeheartedly endorse Home Renovations by Jeffrey Scott. They worked hard to turn our space into our dream home.

Sincerely,

Shelley & Stephan Giallanzo
